

We are here to help.

1-855-NAV-SADV

(1-855-628-7238)

Our 37 Sexual Assault/Domestic Violence Treatment Centres (SA/DVTC) across Ontario provide crisis support, health and forensic services, as well as follow-up care and counselling services for victims/survivors of sexual assault and/or intimate partner violence who have been recently assaulted.

A 24/7 nurse-staffed navigation line has been launched to assist patients & service providers access SA/DV services across the province.

The nurse on the navigation line will:

- Facilitate access to your local SA/DVTC
- Provide information & resources
- Discuss options for care
